CTE Welcomes New Staff Member

CTE is pleased to announce the recent hiring of *Erik Bigelow* in the position of Project Manager – Technology Development. Erik has worked as a mechanical engineer since 2004 in research and development roles at National Instruments and Acuity Brands Lighting with experience in design engineering as well as project management. He holds a BS in mechanical engineering from The University of Texas at Austin, and will assist Jason Hanlin with the management of technical projects in Alabama, Texas, and Tennessee. In his spare time Erik converted his Volkswagen Cabriolet to be a pure electric vehicle and uses this as his primary commuting vehicle. While in Austin he was active on the Austin Area Electric Vehicle Association board and held seminars covering electric vehicle conversions. Please join us in welcoming Erik to the CTE fold.
